Adrian Waite, former Chief Executive at The Business Village, passed away suddenly on 4th February. Thanks to his hard work and support, Adrian was a huge driving force behind the many changes and upgrades to our business, as well as countless other large companies and SMEs across the borough.

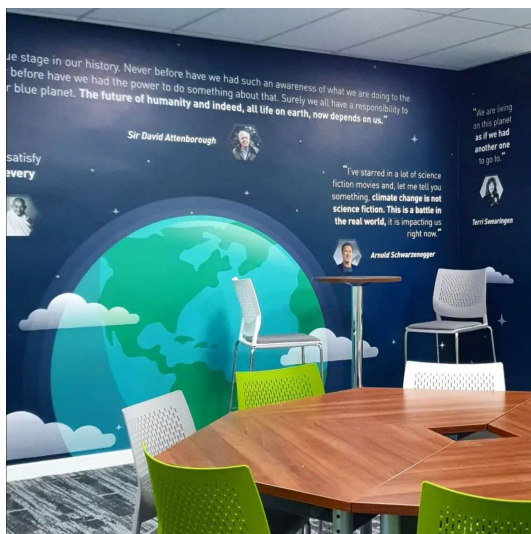

We're a small team at The Business Village and his passing has had an impact on us all. Adrian was a true gentleman, loved by his family and friends, and he will be dearly missed ❤️
