Business Support, Built In

As a non-profit organisation, we regularly reinvest into our services, facilities and sustainability efforts, ensuring that tenant businesses have a modern, community-first environment. Through our dedicated <u>Business</u> <u>Development Manager Kevin Steel</u>, all tenant businesses have access to free, targeted business support such as 1:1 coaching, financial advice, funding guidance and partnership introductions. <u>Learn more...</u>

We also host various drop-in sessions, workshops and seminars throughout each month. Whether you need specialised advice, peer support or new collaborations, we're here for you. Don't miss our seminar on 24th July: Why your business needs safeguarding - delivered by Adele Gladman and Associates.

Honouring Adrian Waite's Legacy

In memory of Adrian and his years of work with us and the Barnsley business community, our team have planted a couple of lovely 'Flagpole' Cherry Blossom Trees (Prunus Amanogawa), which Clare (his widow) told us he'd loved to have seen. They are planted adjacent to our outdoor seating areas at both Wilthorpe and Cudworth.

Tenant Spotlights

We're proud to celebrate the growth and achievements of our vibrant tenant community. Each month, we feature a new business to showcase their story, milestones, and journey. Read their stories here...
