

MELD AI PROGRAMME

A fully-funded, structured, company-wide AI transformation programme for ambitious Barnsley Companies

THE PROGRAMME - 5 PHASES TO TRANSFORMATION

Phase	Focus	What You'll Do
1	AI Strategy	Board & senior leadership workshop, build your AI roadmap, set measures of success and plan phased implementation.
2	Company-Wide AI Literacy	Up to 3 team workshops: AI strategy communication, upskilling staff, change psychology, and skills gap analysis.
3	AI Workflows & Projects	Targeted skills development, pilot project selection, stakeholder mapping, and defining success measures.
4	Advanced AI Usage	Optional sessions, accelerated implementation, advanced AI techniques, and scaling your AI projects.
5	Sustainable Transformation	Half-day review: measure progress, refine your AI strategy, and plan the way forward for ongoing AI adoption.

Plus: 6 online AI Clinics - expert technical catch-up and problem-solving support throughout the programme

WHO IS IT FOR?

- ✓ Companies looking to adopt AI strategically - not ad hoc usage
- ✓ Leadership teams wanting a structured transformation roadmap
- ✓ Organisations where AI literacy is patchy across teams
- ✓ Companies ready to gain competitive advantage through AI
- ✓ Any sector: construction, education, professional services & more

HOW IT WORKS

- ✓ Delivered face-to-face at your premises or a suitable venue
- ✓ Tailored to your organisation - each phase adapted to your needs
- ✓ Intersessional activity builds real momentum between sessions
- ✓ Facilitated by expert practitioners with decades of experience
- ✓ Combines AI expertise with proven change-management methodology

READY TO TRANSFORM YOUR ORGANISATION?
